

Indiana Approved Trainer Survey

Thank you for participating in Inclusion in Childcare: More Than Just A Buzzword

Circle which one apply to you after taking this training.

Section 1: Understanding Inclusivity

What is the true essence of inclusivity, and how does it impact child development and social-emotional growth?

- I can analyze and clearly explain the relationship between the two.
- I understand the basics of inclusivity but need to further explore and evaluate its impact to fully grasp its essence.

Section 2: Recognizing Inclusive Signs

Can you identify specific indicators of inclusivity in your childcare center?

- Yes, I can confidently analyze and recognize inclusive signs in my center.
- I would like to apply new strategies but need more guidance in identifying these inclusive indicators.

Section 3: Creating an Equitable Environment

- I've developed a solid understanding of strategies that promote equity in learning experiences.
- I'd appreciate more guidance on how to incorporate equitable practices effectively in my center.

Section 4: Fostering Family Partnerships

How confident are you in building genuine connections with families and fostering open communication?

- I feel confident in my skills to evaluate and apply effective strategies for strong family partnerships.
- I'm eager to understand and learn more about effective family engagement strategies to ensure the best for our families.

Section 5: Actionable Inclusive Strategies

Have you developed a personalized action plan for your childcare center's inclusivity journey?

- I'm fully motivated and ready to evaluate our current efforts, apply new strategies, and champion inclusivity.
- To ensure I create the most welcoming environment possible, I seek more insights and support in nurturing a steadfast dedication to inclusivity.
